

Section 805 - Consumption and Display Of
Intoxicating Liquor; Liquor Control and Set-Ups

Section 805:00. Permit Required. It shall be unlawful for any private club or public place, directly or indirectly or upon any pretense or by any device to allow the consumption or display of intoxicating liquor, or the serving of any liquid for the purpose of mixing with intoxicating liquor without first securing a permit from the Liquor Control Commissioner and paying the annual fee as provided in this ordinance.

Section 805:05. Fees. Every private club or public place desiring to allow the consumption or display of intoxicating liquor shall on or before July 1 of each year pay to the Treasurer a fee of \$36.00 and shall be issued a written receipt therefor. If a portion of the year has elapsed when payment is made, a pro rata fee shall be paid; but no such pro rata fee shall be accepted from any private club or public place which has violated Section 805:00 of this ordinance. In computing such fee, any unexpired fraction of a month shall be counted as one month. The written receipt shall be posted in some conspicuous place upon the premises along side the permit issued by the Liquor Control Commissioner and shall be kept posted at all times.

Section 805:10. Inspections. Any private club or public place allowing the consumption or display of intoxicating liquor shall be open at all reasonable hours for inspection by the Liquor Control Commissioner, his designated agents, and duly authorized peace officers of the municipality. Refusal to permit such inspections shall be a violation of this ordinance.

Section 805:15. Establishments Excluded. This ordinance does not apply to any premises licensed for the sale of intoxicating liquor.
